RE: ELECTRONIC NOTIFICATION SYSTEM

The South Dakota Division of Banking (Division) is developing an electronic notification system for all South Dakota chartered trust companies. Therefore, each trust company must submit a company specific email address. The Division will compile the addresses; and when possible, future correspondence will be issued electronically. Please submit the contact email address, no later than July 31, 2011, to the Division via its email address: banking@state.sd.us.

The submitted email subject line should identify the trust company name and include the phrase "Email Address." For example,

Subject: Anytown Trust Company, LLC Email Address
